

# Title: US Master Swim Coach

**Job Type: Seasonal (Quarterly Sessions) or Year-Round (Part-Time)**

**Compensation: \$18.00**

**Tues – Thu 6:30 am – 8 am**

## Summary

We are looking for Certified US Master Swim Coaches to join the Bayfield Rec Center. In this role, you should include and engage active USMS members by creating an environment wherein individuals maintain a sense of belonging.

As a coach, an important role is to help members set achievable goals and monitor participant's progress.

## Requirements:

- Applicants must be at least 18 years of age.
- At least 2 years of previous experience as a US Masters Swim Coach or swim team coach is preferred.
- Must be able to attend most swim practices during the season or ensure a US Master Swim member is available **on Deck** during practices.
- First Aid / CPR certification. (Current or able to obtain – we will train the right candidate)
- Current United States Masters Swimming (USMS) Coach certification\*
- Must be able to demonstrate competency in all 4 swimming strokes, (front crawl, breast, back, and butterfly)
- Must be able to swim 500 meters non-stop (front crawl).

## Job Duties:

Provide in-person support for the Master Swim program

Enforce safety rules while coaching

Prepare and execute Master Swim workouts for all levels of athletes to include elite level training

- Report to work as scheduled and be prepared to coach on time
- Coach athletes in swimming form and technique
- Observe athletes to detect, correct mistakes through positive feedback
- Maintain safety of participants in the pool responding to emergencies immediately
- Communicate with the swim team participants

- Maintain, encourage and motivate swimmers while providing instruction to improve swimming technique
- Plan swim practices to keep swimmers engaged and involved
- Adhere to safety standards and best practices during swim practices and meets
- Communicate with swim team members, other coaches, and club management
- Emphasize teamwork and goal setting
- Complete all required training and continuing education as required by US Masters Swim program
- Complete all administrative functions of the team, including meet entries & records
- Other tasks as assigned by management

Benefits:

Free Rec Center Membership.

\* We will reimburse training after completion of 3 months of employment.
